Description

Summary: It has been observed that the questions in the Quizzes Tab do not automatically switch after the timer runs out of time. The questions do not skip to the next one when the User selects, but does not confirm the answer. As a result, the User has more time to search for the correct answer and gets an unfair advantage.

Repro Rate 10/10 100%

Repro Steps:

1. Go to <https://moviesroom.pl/>

2. Enter the Quiz Tab

3. Select and complete any Quiz

4. Press the “SPRAWDŹ BŁĘDY I POPRAW SWÓJ WYNIK” Prompt

5. Select an answer and do not press “NASTĘPNE PYTANIE” Prompt

6. Observe the issue

Result: The Quiz Question does not skip to the next question when the User does not press the “NASTĘPNE PYTANIE” Prompt.

Expected: The Quiz Question skips to the next one once the time on the Timer ends.
